NDRRMC UPDATE

**Sitrep No. 05 re Preparedness Measures and Effects for
Tropical Depression "VICKY" (I.N. "KROVANH")**

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 23 December 2020, 8:00 AM

Sources: DOST-PAGASA, DILG, DSWD, DPWH, and OCDROs MIMAROPA, V, VI, VII, VIII, IX, X, XI, and CARAGA

18 December 2020

At 4:00 AM, The Low Pressure Area East of Mindanao has developed into Tropical Depression "VICKY". Its center was estimated at 210 km East of Davao City with maximum sustained winds of 45 km/h near the center and gustiness of up to 55 km/h moving West Northwestward at 15 km/h. **TCWS No. 1** was hoisted in Luzon over Cuyo Islands and Cagayancillo Islands; Visayas over the southern portion of Leyte, Southern Leyte, the central and southern portion of Cebu including Camotes Islands, Bohol, Siquijor, Negros Oriental, Negros Occidental, Guimaras, the central and southern portions of Iloilo, and the southern portion of Antique; and Mindanao over Dinagat Islands, Surigao del Norte, Surigao del Sur, Agusan del Norte, Agusan del Sur, Davao Oriental, Davao de Oro, Davao del Norte, Davao City, the northern portion of Davao del Sur, Camiguin, Bukidnon, Misamis Oriental, Misamis Occidental, Lanao del Norte, Lanao del Sur, the northern portion of Maguindanao, Cotabato City, North Cotabato, the northern portion of Zamboanga del Sur, and the northern portion of Zamboanga del Norte.

At 7:00 AM, TD "VICKY" continues to move west-northwestward towards the Davao Oriental-Surigao del Sur area. **TCWS No. 1** was also hoisted in Luzon over the northern and central portion of Palawan; and Mindanao over Maguindanao, Zamboanga del Sur, and Zamboanga Sibugay.

At 10:00 AM, TD "VICKY" slightly slows down as it moves closer towards the Davao Oriental - Surigao Del Sur area. **TCWS No. 1** was also hoisted in Luzon over Calamian Islands.

At 1:00 PM, TD "VICKY" maintains its strength and is about to make landfall over Davao Oriental. Areas under **TCWS** will have strong to breeze to near gale conditions during the passage of the tropical cyclone.

At 4:00 PM, the center of TD "VICKY" was estimated in the vicinity of Monkayo, Davao de Oro with maximum sustained winds of 45 km/h near the center and gustiness of up to 75 km/h moving West Northwestward at 15 km/h.

At 7:00 PM, TD "VICKY" accelerated and was over Esperanza, Agusan Del Sur with maximum sustained winds of 45 km/h near the center and gustiness of up to 75 km/h moving Northwestward at 30 km/h.

At 10:00 PM, TD “VICKY” was over the Bohol sea after emerging offshore from the coast of Misamis Oriental. TCWS No. 1 was also hoisted in Luzon over Kalayaan Islands and in Mindanao over the northwestern portion of North Cotabato and central portions of Zamboanga del Norte.

19 December 2020

At 7:00 AM, TD “VICKY” continues to move westward and nearing the Cagayancillo Islands. TCWS No. 1 was still hoisted in Luzon over the northern and central portion of Palawan including Calamian, Cuyo, Cagayancillo, and Kalayaan Islands; Visayas over Negros Oriental, the central and southern portions of Negros Occidental, Guimaras, the southern portion of Iloilo, and the southern portion of Antique; and Mindanao the central portion of Zamboanga del Norte, and the western portion of Zamboanga Sibugay. TCWS in other areas were lifted.

At 10:00 AM, TD “VICKY” maintained its strength while moving westward towards the Northern-Central portion of Palawan. TCWS No. 1 was still hoisted in Luzon over the northern and central portions of Palawan including Calamian, Cuyo, Cagayancillo, and Kalayaan Islands. TCWS in other areas were lifted.

At 7:00 PM, it was estimated at 70 km East Southeast of Puerto Princesa City, Palawan with maximum sustained winds of 45 km/h near the center and gustiness of up to 55 km/h moving West Northwestward at 20 km/h.

At 11:00 PM, TD “VICKY” slightly intensifies and has crossed Palawan with maximum sustained winds of 55 km/h near the center and gustiness of up to 85 km/h moving Northwestward at 25 km/h. TCWS No. 1 over Cagayancillo Islands is lifted.

20 December 2020

At 1:00 AM, TD “VICKY” is over the West Philippine Sea. TCWS No. 1 still hoisted over northern and central portion of Palawan including Kalayaan Islands. TCWS in other areas was lifted.

At 4:00 AM, TD “VICKY” continues to move west-northwestward towards the Kalayaan Islands. TCWS No. 1 still hoisted over Kalayaan Islands. TCWS in Palawan was lifted.

At 2:00 PM, TD “VICKY” left the Philippine Area of Responsibility.

I. EFFECTS

A. INCIDENTS MONITORED

A total of 9 incidents were monitored in Regions VII and CARAGA due to TD “VICKY”.

REG / PROV / CITY / MUN		NO. OF INCIDENTS	REMARKS
FLOODING			
REGION VII			
Negros Oriental	Bais City, Amlan, and Tanjay City	3	Subsided as of 19 December 2020
Cebu	Dalaguete	1	Subsided as of 21 December 2020
CARAGA			
Surigao del Sur	Bislig City	1	Ongoing evacuation of residents.

Agusan del Sur	Municipalities of Prosperidad, San Francisco, and Rosario	3	Ongoing evacuation of residents.
LANDSLIDE			
CARAGA	1		
Surigao del Sur	Brgy. San Rafael, Bislig City	1	3 households were affected. No casualty was reported.

Source: OCDROs VII and CARAGA

B. AFFECTED POPULATION (TAB A)

A total of **31,408 families / 130,855 persons** in **290 barangays** in Regions VII, VIII, XI, and CARAGA were affected due to TD "VICKY". Of which, **289 families / 1,228 persons** are being served inside **13 ECs**

Source: DSWD Report No. 5 on TD "VICKY" as of 22 December 2020, 6:00 PM

C. CASUALTIES

A total of **eight (8) dead, two (2) injured, and one (1) missing** persons were reported in Regions VIII, XI, and CARAGA due to TD "VICKY".

Sources: OCDROs

Note: Subject for further validation and verification.

D. STATUS OF LIFELINES

1. Roads and Bridges (TAB B)

A total of **15 road sections** and **5 bridges** in Regions VIII, XI, and CARAGA were affected due to flooding, landslide, mudslide, soil collapse, road cut, and toppled electric post. Of which, **7 roads** and **3 bridges** are not passable.

Sources: OCDROs CAR, II, VIII, XI, CARAGA and DPWH

2. Power Supply

Power interruption were reported in some areas of Mati City, and Municipalities of Manay and Baganga, Davao Oriental; and in the Municipalities of Maco and Laak, Davao de Oro. Power was restored in Maco, Davao de Oro on 19 December 2020.

II. DISASTER PREPAREDNESS AND RESPONSE (TAB C)

A. PRE-EMPTIVE EVACUATION

A total of **298 Families / 1,226 persons** were pre-emptively evacuated in Regions VII and VIII.

Source: OCDROs VII and VIII

B. COST OF ASSISTANCE

A total of **₱4,100,316.41** worth of assistance was provided by the DSWD and LGU to the affected families in Regions XI and CARAGA; of which, **₱3,196,004.41** from DSWD and **₱904,312.00** from LGUs.

Source: DSWD Report No. 5 on TD "VICKY" as of 22 December 2020, 6:00 PM

C. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations.
- b. Continuous monitoring, and ensure dissemination of Weather Advisories and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media sites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Prepared a total of **23** Emergency Alert and Warning Message (EAWM) for dissemination of Telecommunication Companies to the affected areas.

D. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs MIMAROPA, V, VI, VII, IX, X, XI, and CARAGA are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

Source: DSWD Report No. 5 on TD "VICKY" as of 22 December 2020, 6:00 PM

C. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations.
- b. Continuous monitoring, and ensure dissemination of Weather Advisories and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media sites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Prepared a total of **23** Emergency Alert and Warning Message (EAWM) for dissemination of Telecommunication Companies to the affected areas.

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

- a. Continuous weather monitoring and provision of weather updates.

3. Department of the Interior and Local Government (DILG)

- a. Issued a memorandum on the activation of the Disaster Online Reporting and Monitoring System (DORMs) for TD “VICKY” to DILG Regional Offices in MIMAROPA, VI, VII, VIII, IX, X, XI, XII, CARAGA, and BARMM, and directed all regions concerned on the following:
 - Advised concerned LGUs to establish critical preparedness actions based on the Operation LISTO Protocol, and DILG Memorandum Circular No. 2020-125 – LISTO SA TAG-ULAN AT COVID19: Preparedness Measures of LGUs for the Rainy Season CY 2020, and prioritize the repositioning of supplies, equipment, and personnel for response.
 - Ensure LGUs to actively carry out actions enjoined in Operation LISTO protocols, and DILG Memo Circular no. 2020-125 and more if necessary, to prepare communities, especially those in low-lying and/or flood and landslide-prone areas, highways, riverbanks, and coastal areas, including fishermen.
 - Remind LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes, and ensure that it can withstand the strong winds brought about by TD “VICKY”.
 - Continue to monitor all PAGASA weather advisories and bulletins, Met-Hydro Decision Support InfoSYS, ASTI Philsensors, and MGB Geo-Hazard Web Portal.
 - Assist the RDRRMC in coordinating with LGUs and ensure that existing LGU COVID19 testing requirements will not hamper the entry, passage, and operations of all government and the private sector disaster response personnel.
- b. Regional and field offices informed and recommended all concerned LGUs the following actions:
 - Activate concerned BDRRMCs for early warning measures and vigilant monitoring of areas with settlements at the base of sliding slopes or ridges with manifestations of rockslide/landslide, tension cracks, and areas identified as very high/critical landslide zones.
 - Vigilant monitoring and reporting of weather disturbances and other incidents.
 - Vigilant monitoring of river waters and settlements in low-lying areas.
 - Implement pre-emptive evacuation in areas with high to very high susceptibility to storm surge, floods, and landslide, especially residents whose dwellings are susceptible to damage due to strong winds.
 - Ensure the observance of COVID19-related protocols such as physical distancing, wearing of face mask, frequent washing of hands, and regular disinfection of evacuation centers.
 - Restrict tourist activities such as but not limited to mountaineering, hiking, surfing, and diving within their areas of responsibility (AOR).
 - Enforce a non-fishing policy and ensure that sea travel and small-scale fishing activities are closely monitored and prohibited.
- c. Reiterated to all Regional and LDRRMCs on the preparedness guidance for TD “VICKY”.
- d. Continuously provided all available information to all concerned DILG Regional and Field Offices re TD “VICKY” through texts and emails.

4. Department of Social Welfare and Development (DSWD)

- a. The DSWD Central Office (CO), Field Offices (FOs), and National Resource Operations Center (NROC) prepositioned stockpiles and standby funds amounting to **₱714,007,726.58** with breakdown as follows:

Standby Funds

A total of **₱114,026,940.98 standby funds** in the CO and FOs. Of the said amount, **₱74,407,324.94** is the available **Quick Response Fund (QRF)** in the CO.

Stockpiles

A total of **225.408 family food packs (FFPs)** amounting to **₱104,513,270.44**, **other food items** amounting to **₱169,274,315.36** and **non-food items (FNIs)** amounting to **₱326,193,199.80** are available.

Note: The Inventory Summary is as of 22 December 2020, 3PM.

- b. Placed all QRT members and emergency equipment on standby ready for deployment.
- c. Disaster Response Management Bureau (DRMB) is closely coordinating with the concerned field offices for significant disaster response updates.
- d. DSWD-NRLMB is continuously repacking goods for possible augmentation.

5. Department of Public Works and Highways (DPWH)

- a. Deployed DPWH personnel and maintenance crew to affected areas.
- b. Ongoing clearing operations.
- c. Installed warning signs.
- d. Prepositioned manpower and equipment.
- e. Activated DPWH DRRM Teams.

6. Department of Health (DOH)

- a. CHDs prepositioned a total of **₱11,008,064.69** worth of drugs, medicines, medical supplies, health kits, including PPEs, and other COVID-19 supplies
- b. Activated the 24/7 Operations Center.
- c. Prepositioned assorted medicines including PPEs and other COVID-19 supplies in the affected provinces through the Provincial DOH Offices.

- d. Activated the Emergency Operations Center (EOC) in CHDs VI, VII, VIII, IX, X, XI and CARAGA.
- e. Alerted the concerned Provincial DOH Offices to actively monitor and report untoward incidents in their respective AOR.
- f. Monitored the situation of Temporary Treatment and Monitoring Facilities (TTMFs) in the regions.
- g. Disseminated promotion and advocacy materials through the social media, television, and radio.
- h. Continuous coordination with concerned Provincial DOH Offices (PDOHO), Provincial Health Offices (PHOs), Office of the Civil Defense (OCD), Regional and Local Disaster Risk Reduction Management Council.

7. Department of Agriculture (DA)

- a. Coordinated with NGAs, Local Government Units, and other Regional DRRM related offices re impact of TD “VICKY”.
- b. Ensured the affected farmers and fishers of the following available assistance:
 - Rice, corn, and vegetable seed reserves from DA RFOs
 - Drugs and biologics for livestock and poultry
 - Survival and Recovery (SURE) Loan Program of Agricultural Credit Policy Council (ACPC)
 - Indemnification fund from Philippine Crop Insurance Corporation (PCIC) to pay for the losses incurred.
- c. DA-DRRM OpCen continuously provide updates related to TD “VICKY”.

D. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs MIMAROPA, VI, VII, IX, X, XI, and CARAGA are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC MIMAROPA

Office of Civil Defense (OCD) MIMAROPA

- a. Conducted PDRA meeting via zoom on 18 December 2020, 3:00 PM.
- b. Issued memorandum No. 271 re Emergency Preparedness Actions for TD “VICKY” to all P/C/MDRRMCs of MIMAROPA.
- c. Ensured functionality of all communications equipment.
- d. Continuous coordination with response agencies and concerned LGUs re situational updates and the possible effects of TD “VICKY”.
- e. Provided logistical support to DSWD MIMAROPA on 19 December 2020 relative to the transportation of food and non-food items for the Province of Romblon in support of their response operations for COVID19 and other disasters.

DILG MIMAROPA

- a. Activated the Disaster Monitoring and Reporting System for Tropical Cyclone.
- b. Disseminated DILG Advisories and MGB’s updated list of LGUs susceptible to landslide and flooding to provinces and municipalities down to the barangay level.
- c. Ensured that LGUs are actively carrying out actions as recommended in Operation LISTO.
- d. Established critical preparedness actions based on Operation LISTO protocols, and prioritize pre-emptive evacuation and prepositioning of supplies and equipment for response.

DSWD MIMAROPA

- a. Placed R/P/C/M Quick Response Teams on standby.
- b. Ensured the availability of 23,025 family food packs (FFPs) as of 18 December 2020, standby funds amounting to ₱1,903,226.58, food packs amounting to ₱10,361,250.00, other food items (raw materials) amounting to ₱1,765,909.00, and non-food items amounting to ₱4,452,425.80.
- c. Alerted the Disaster Response Management Division and SWADT Offices to monitor the daily local weather condition and ensure provision of information to all concerned offices, divisions, sections, and offices.
- d. Coordinated with the OCD and RDRRMC MIMAROPA for any warning signal updates response mechanism for areas that will be affected.
- e. Ensured logistical equipment and workforce on standby for the management of stranded passengers in ports and terminals.
- f. Placed the Information and Communications Technology Management Unit on standby to ensure robust communication system.
- g. Ensured that there is an on-call truck that is available for delivery of goods and equipment to areas that will be affected.

DOH MIMAROPA

- a. Activated the Code Alert Status in DOH Regional and Provincial Offices, DOH retained hospitals through Health Emergency Response and Operations Center.
- b. Placed the Regional Office on Code Red Alert.
- c. Placed the Response Teams and all logistics and manpower on standby.
- d. Continuous monitoring of all health-related events including all regional and local events with potential impact to a particular area.
- e. Coordinated with regional hospitals for their preparedness and availability of backup teams.
- f. Ensured that all communications equipment are always available and functional.
- g. Facilitated the issuance of appropriate warnings to all concerned health offices.
- h. Prepositioned drugs, medicines, and dome tents in regional and provincial DOH offices.

Armed Forces of the Philippines (AFP) WESCOM and SOLCOM

- a. Alerted the JTF-ICARE to monitor and track TD "VICKY".
- b. Placed air and naval assets and rescue teams on standby.
- c. Coordinated with LGUs within AOR.

Bureau of Fire (BFP) MIMAROPA

- a. Placed assets, personnel, and teams on standby for possible deployment.
- b. Coordinated with LGUs, NGOs, and other Government agencies to the operational activities.
- c. Alerted Disaster Response Team for possible deployment.

DA MIMAROPA

- a. Continuous conduct of rehabilitation projects such as rice seed, vegetable seed, urea and inoculant fertilizer, and seedling.
- b. Identified vulnerable areas and areas of standing crops.

Department of Education (DEPED) MIMAROPA

- a. Disseminated advisories from PAGASA to divisions office.

- b. Instructed Division DRRM coordinators to monitor, advice, and remind SDRRMCs re the prevailing weather situation.
- c. Instructed field offices to closely coordinate with LGUs for local inter-agency actions to be undertaken.

Department of Information and Communications Technology (DICT) Luzon Cluster 3

- a. Placed assets on standby within provinces for constant communication.
- b. Alerted provincial offices to conduct maintenance check of ICT offices for possible leaks on premises to assure equipment's safety.
- c. Conducted inventory of equipment per province.
- d. Coordinated with DRRM offices and different LGUs to monitor the different centers and free WiFi sites.

DPWH MIMAROPA

- a. Reactivated the DRRMT and deployed maintenance crew facilities and equipment in various road sections prone to landslide, flood, and possible road section to be affected.

Philippine Coast Guard (PCG) Southern Tagalog

- a. CGDSTL stations/sub-stations prepared rescue equipment for possible deployment of DRTs within the respective AOR.
- b. Continuous monitoring and dissemination of weather advisories to LGUs, NGOs, maritime stakeholders, Bantay Dagat Organization and fisherfolks.
- c. Advised fishing boats and other small seacrafts not to venture out in the sea while larger sea vessels are alerted against big waves.
- d. Placed response teams, assets, and rescue equipment on standby.

Philippine Information Agency (PIA) MIMAROPA

- a. Disseminated weather forecasts through News on the Go SMS version and situational reports of provincial information center managers.
- b. Sourced out weather forecasts and advisories.

Philippine National Police – Police Regional Office (PNP-PRO) MIMAROPA

- a. Ensured availability of SAR assets and personnel.
- b. Alerted all Police Provincial Office down to their lower units to continuously monitor the situation within its respective AORs.
- c. Directed lower units to undertake precautionary measures and other disaster preparedness activities.
- d. Directed all members of the Regional Headquarters and Regional Mobile Force Battalion SAR team to be ready for any possible SAR operations.

PDRRMC Oriental Mindoro

- a. Activated the EOC.
- b. Continuous monitoring and dissemination of weather advisories.
- c. Coordinated with MDRRMOs relative to the weather disturbance.
- d. Prepositioned rescue equipment and conducted radio communication testing.
- e. Coordinated with PSWDO re stockpile, response agencies re Disaster response operation, and DPWH re availability of equipment and assets.

CDRRMC Calapan City

- a. Prepositioned rescue equipment in flood-prone barangays.
- b. Coordinated with CDRRM council members.
- c. Conducted inventory of evacuation center.

PDRRMC Marinduque

- a. Maintains Red Alert Status and Full Activation of EOC.
- b. Coordinated with MDRRMOs re preparedness measures and actions taken.
- c. Continuous monitoring of weather updates and posting in social media.
- d. Prepositioned food, non-food items, cadaver bags, medicines, and medical supplies.
- e. Placed response teams, assets, and equipment on standby.
- f. Prepositioned genset, heavy equipment, rubber boat, patrol vehicles, ambulance, and rescue vehicles.

PDRRMC Romblon

- a. Activated the EOC.
- b. Continuous monitoring of weather updates through radio broadcast, television, and windy apps.
- c. Continuous monitoring of water level in flood controls and river dikes and implement safety measures to residents living in the area.
- d. Reminded all MDRRMOs to stay alert and monitor the areas considered as highly or very high susceptible to floods, landslide and storm surge within their AOR.
- e. Ensured the implementation of No Sail Policy in all seacrafts in case of weather condition deteriorates.
- f. Monitored the water levels in the riverbanks and settlements in low-lying areas.
- g. Placed rescue equipment, teams, and assets on standby.

PDRRMC Palawan

- a. Prepositioned response teams, equipment, and assets.
- b. Continuous monitoring of AORs for any untoward incidents and undertake precautionary measures.
- c. Disseminated weather advisories to MDRRMOs.
- d. Prepositioned food and non-food items, sea vessels, satellite phone, and radio.
- e. Coordinated with neighboring LGUs relative to sharing resources during possible response operations.
- f. Conducted Emergency Response Preparedness inspection to assess municipalities of their response capabilities and to ensure the implementation of health standards during actual operations.

CDRRMC Puerto Princesa

- a. Placed response teams and vehicles on standby.
- b. Activated the EOC.
- c. Prepositioned response equipment and portable temporary shelter.
- d. Issued memorandum to BDRRMCs re Activation of EOC and preventive measures.

PDRRMC Occidental Mindoro

- a. Continuous dissemination of weather advisories to LDRRMCs through radio station, text blasts, and social media pages.
- b. Coordinated with MDRRMOs on the preparation of evacuation centers, prepositioning of food packs, equipment, and assets.
- c. Advised MLGUs to conduct PDRA and preparedness actions considering health risks.
- d. Alerted PQRTs for possible response operations.
- e. Placed rescue teams, assets, and equipment on standby.

2. RDRRMC VI

OCD VI

- a. Conducted Regional PDRA re TD "VICKY" on 18 December 2020, 10:00 AM.
- b. Disseminated warning advisories and issuances.
- c. Coordinated with the 6 PDRRMOs and 2 CDRRMOs for updates.

DOST VI

- a. Ensured the continuous operation of the Bantay Panahon.
- b. Ensured the functionality of Coastal Radar between Iloilo and Bacolod.
- c. Regular issuance of warning advisories such as water level and amount of rainfall through the Bantay Panahon website.
- d. Continuous monitoring of early warning equipment installed in various local government unit.

DILG VI

- a. Activated the EOC and DORMS.
- b. Disseminated Critical Cyclone Track Chart, RDRRMC issuances, and all PAGASA weather advisories and typhoon bulletins.
- c. Continuous monitoring of Met-Hydro Decision Support Information System, ASTI Philsensors, MGB Geo-hazard web portal, and Bantay Panahon for additional information and reference about the TC.
- d. Advised concerned LGUs to establish preparedness actions based on the Operation LISTO protocols and DILG Memorandum Circular 202-125 on LISTO sa Tag-ulan at COVID19.

DSWD VI

- a. Issued advisory to all QRT to monitor its respective local situation.
- b. Ensured the availability of around 9,821 family food packs at the regional warehouse.
- c. Prepositioned 26,116 goods in the different provinces.

DOH VI

- a. Activated the Health Emergency Alert Reporting System (HEARS).
- b. Placed CHD HEMS Quadcluster team on standby ready for deployment.

MGB VI

- a. Disseminated List of Barangays Susceptible to Landslide and Flooding based on the DOST-PAGASA rainfall data as of 18 December 2020.
- b. Advised all LGUs to consult the geohazard maps and to check the susceptibility of its respective AOR to flooding, flashfloods, and rain-induced landslide; and to be ready to evacuate in case of an imminent danger.
- c. Advised the Province of Guimaras to consult the sinkhole map to determine the LGUs that are susceptible to sinkhole which likewise, are prone to flooding and flashflood.

PCG VI

- a. Placed all sub-stations on alert status.
- b. Ensured to provide advisories on the cancellation of trips at any moment due to the weather condition.
- c. Ensured that floating assets are ready for deployment and placed responders on alert status.

PNP PRO VI

- a. Placed on full alert status.

- b. Ensured that all resources are ready for deployment.

3ID, PA

- a. Activated all Disaster Task Group and alerted the Disaster Response Task Units under Infantry Brigades.
- b. Organized the Disaster Relief Rescue Operation (DRRO) team and ready for possible deployment.
- c. Conducted equipment inventory ensuring that it is serviceable and on standby.

PDRRMC Aklan

- a. Monitored the river basins through the DOST automated weather system (AWS).
- b. Disseminated all PAGASA bulletins and advisories to LGUs through social media.
- c. Conducted regular maintenance of rescue equipment.
- d. Ensured that Aklan Sports Complex is ready to be utilized as evacuation centers if the need arises.
- e. Coordinated with the Provincial Health Office on health protocol to be observed at the evacuation centers.

PDRRMC Antique

- a. Continuous monitoring and risk assessment of P/MDRRMC within its respective AOR.
- b. Conducted PDRA at the Venue Hotel, Funda-Landing, San Jose de Buenavista, Antique.
- c. Pre-activated the Provincial Response Cluster and Provincial RDANA Team.
- d. Activated the EOC at all level to Blue alert on 18 December 2020.
- e. Issued a PDRRMC memo/advisory to all MDRRMC/Os to be on-alert, make precautionary measures for the possible adverse of the typhoon, monitor the development of the weather disturbance, and conduct on-site assessment of respective AOR.
- f. Provided updates of the weather and other related information to the media and PDRRMC from time to time.
- g. Placed all QRT on standby alert and ready for possible deployment.

PDRRMC Capiz

- a. Conducted PDRA on 18 December 2020.
- b. Prepositioned goods, resources, and hygiene kits in strategic LGUs.
- c. Disseminated PAGASA advisories to LGUs.
- d. Monitored LGUs that are prone to flooding/flashflood.
- e. Placed response units on standby.

PDRRMC Guimaras

- a. Alerted the Municipal and Barangay DRRMCs.
- b. Continuous monitoring of weather bulletins and forwarded the same to respective Municipal and Barangay DRRMs for information.
- c. Conducted PDRRMC emergency meeting re preparedness measures for TD "VICKY".
- d. Prepositioned stockpile, supplies, and disaster equipment.
- e. Placed responders on standby.

PDRRMC Iloilo

- a. Disseminated early warnings to LGUs especially Northern Iloilo.

- b. Alerted the responders from 1st to 5th district for possible flooding and other typhoon-related incident within its AOR.
- c. Continuous monitoring at the Provincial Civil Defense Operations Center and Safety Office.
- d. Identified and presented the Evacuation Centers in the entire province.

PDRRMC Negros Occidental

- a. Disseminated information related to TD “VICKY” to LDRRMCs, member agencies and other stakeholders through media, radio outlets, email, SMS, and social media.
- b. Advised District Hospitals and Provincial Health Office to heighten its preparedness, initiate pro-active measure, readiness of hospital manpower to respond to any emergency situation, hospital service, and nursing; and placed administration personnel on-call status for a quick emergency response and take appropriate actions.
- c. Advised LDRRMOs to heighten its preparedness, initiate pro-active measures, and take appropriate precautionary actions for possible flooding, flashflood, and landslide.

CDRRMC Iloilo

- a. Sent warning messages to Punong Barangays specifically to barangays located in waterways of Jaro and Calajunan.
- b. CSWDO prepositioned relief supplies for pre-emptive evacuation
- c. Continuous monitoring of major river basins such as Calajunan, Dungon creeks, and Jaro river.

CDRRMC Bacolod City

- a. Placed all BDRRMCs on standby in preparation for TD “VICKY”.
- b. Suspended all sea trips to and from Bacolod City on 18 December 2020 due to the issuance of PAGASA TCWS No. 1 in Bacolod City.
- c. Disseminated severe weather bulletins, rain/flood advisories, and thunderstorms through text blast to all 61 barangays.
- d. Conducted briefing to Bacolod City DRRMC Response Cluster in preparation for TD “VICKY”.

3. RDRRMC VII

OCD VII

- a. Disseminated weather advisory re TD “VICKY” to RDRRMC member-agencies, P/C/MDRRMOs, Local Chief Executives (LCEs), and stakeholders.
- b. Coordinated the PDRRMOs of Cebu, Bohol, Siquijor, and Negros Oriental; and three (3) Highly Urbanize Cities (HUCs) for its preparedness measures.
- c. Coordinated with the RDRRMC Response Clusters for its preparedness measures.
- d. Issued memo to RDRRMC members, raising the alert status to BLUE.

DOST-PAGASA

- a. Disseminated Severe Weather Bulletins and Heavy rainfall warnings.

DSWD VII

- a. Activated the QRT of the Region.
- b. Placed QRT on standby alert ready for mobilization for any assistance and augmentation support needed from the LGUs.
- c. DSWD Regional DROMIC Focal continuously monitor the latest weather updates from PAGASA and cascading the same for widest dissemination to Provincial/City/Municipal Action Team.

- d. Alerted the City and Municipal Action Team and SWAD Offices to closely coordinate with its local counterparts and respective LDRRMCs.
- e. Closely coordinated with OCD VII and other members agencies for any response mobilization activities.
- f. Distributed **non-food items** and food meals **worth P16,000.00** to the affected families evacuated in Ibo Elementary School in Lapu-lapu City.
- g. LGUs of Danao and Lapu-Lapu City provided food meals to the stranded passengers within the AOR.
- h. Continuous coordination with the affected LGUs for any augmentation support needed.**

DILG VII

- a. Informed all concerned LGUs of the updates regarding TD "VICKY".
- b. Sent weather updates to all field offices.
- c. Consolidated and submitted situation reports to RDRRMC.
- d. Attended the RDRRMC PDRA Meeting.

DILG Provincial and LGU

- a. Disseminated weather advisories to all LGUs through the C/M Local Government Operations Officers through email, text, and recorda.
- b. Informed all LGUs and Punong Barangays within the province re updates on TD "VICKY".
- c. Attended the DRRMC Meeting on 18 December 2020.
- d. Continuous monitoring of evacuation centers, ports, stranded passengers, street flooding, and other storm related concerns.
- e. Conducted inventory of equipment and supplies.

DPWH VII

- a. Issued a memorandum re District Disaster Risk Management Team Activation for TD "VICKY".
- b. Issued situational report on major roads and bridges.

PCG VII

- a. All CV Stations and Sub-stations implemented the full alert status.
- b. Issued NOTAM for the cancellation of trips in affected areas.
- c. Coordinated with CDRRMO and other concerned LGUs in preparation for the TD "VICKY".
- d. Conducted info drive in all nearest Coastal Barangays and fisherfolks re TD "VICKY" within the AOR.
- e. Prepared and checked all rescue equipment.

MGB VII
